Dear Ms. McIninch:

Thank you for your letter of March 9, 2010, introducing the Association of Canadian Search, Employment and Staffing Services.

As one of the largest employers in Nova Scotia, we rely on staffing agencies and executive recruitment firms such as your association to support us in our recruitment efforts. Staffing agencies provide us with quality human resource services through the recruitment, screening, testing and placement of qualified short-term or long-term job assignments. They are proactive in their recruiting efforts and work hard to maintain qualified pools of applicants in order to provide us with the best possible candidate.

Best wishes for a successful Staffing for Canada Week in June 2010.

Sincerely,

Darrell Dexter  
Premier of Nova Scotia
