

Greetings from Premier Ghiz

On behalf of the Government of Prince Edward Island, I would like to extend best wishes to everyone celebrating Staffing for Canada Week from June 6 to June 12, 2010.

Staffing for Canada Week provides an ideal opportunity to recognize the efforts and contribution of our highly skilled permanent and temporary workforce. Members of the workforce play a key role in ensuring Canada's continued economic growth and prosperity. At this time, I would also like to acknowledge the efforts of the staffing services industry, the industry which supports our strong and diverse workforce.

In addition, I would like to credit the significant leadership role assumed by the Association of Canadian Search, Employment and Staffing Services in promoting best practices and ethical standards for the recruitment, employment and staffing services industry in Canada.

I understand that ACSESS has organized a series of fun-filled and educational events for Staffing for Canada Week. I hope everyone can set aside some time during this week to participate in the planned activities and to celebrate the valuable contribution you make, collectively and individually, to the Canadian economy.
