# Staffing for Canada Week

June 7-11, 2010

As we celebrate Staffing for Canada Week, I would like to take this opportunity to thank you for choosing Manpower and making us your Employer of Choice in our industry! We are proud to represent you and appreciate your loyalty and dedication to Manpower and our clients.

Every year, in the first full week of June, we join ACSESS (the Association of Canadian Search, Employment and Staffing Services) to support Staffing for Canada Week. It is a Canadian initiative that originated in 1980 in Edmonton as the "National Temporaries" week and is recognized all across North America by local and national dignitaries, Premiers and Prime Ministers of Canada to celebrate the value of the staffing industry to our economy and communities.

The world of work is changing and Manpower is committed to staying ahead of the workforce trends so that we are continually offering innovative solutions to our clients and providing continued opportunities for people entering or re-entering the workforce and developing their careers. Connecting people with jobs is exhilarating for us!

This year, Manpower has invested heavily into our digital strategy and our social media presence. Our new video interviewing technology allows us to present you to our clients in an innovative format and in a more widespread way. We encourage you to join the Manpower networking pages on Facebook, LinkedIn and Twitter to be notified of job opportunities and current information on the changing world of work. MyPath, Manpower's community-driven online career management site continues to offer career advice, guidance, and networking opportunities. Visit our "NEWLY REDESIGNED" website at [manpower.ca](http://manpower.ca) to stay connected to Manpower's news, resources and for help as you navigate your career journey.

Your success is our success! From all of us at Manpower, thank you for doing what you do so well!

Sincerely,

A handwritten signature in black ink that reads "Lori Procher".
